About the Fund:

The Health Benefits Fund is an Internal Service Fund administered by the Human Resources Department. The Fund was established in 1984 to centralize the financial transactions for the City's benefit plans. In May 1994, the entire health benefits delivery system was revamped with a new system that employs aggressive managed care features. HMOBlueTexas (HMOBTX) provides Health Maintenance Organization (HMO) and Point of Service (POS) plan, with limits on annual increases. These plans are supported by contributions from the City and participants. The Fund also includes two dental plans, a dental/health maintenance organization (DHMO) and a dental indemnity plan. Both plans are supported exclusively by participants.
